A WORLD OF LOVE

Jonathan Edwards:

“No inhabitants of that blessed world will ever be grieved with the thought that they are slighted by those that they love, or that their love is not fully and fondly returned. ... There shall be no such thing as flattery or insincerity in heaven, but there perfect sincerity shall reign through all in all.

A WORLD OF LOVE

Everyone will be just what he seems to be, and will really have all the love that he seems to have. It will not be as in this world, where comparatively few things are what they seem to be, and where professions are often made lightly and without meaning. But there, every expression of love shall come from the bottom of the heart, and all that is professed shall be really and truly felt.”
